A Handbook to Knowing Your Village and Community

## **A warm welcome**

We hope that the information contained in this handbook will help you to settle into your new home and the community. Your neighbours will no doubt be welcoming and assist you as needed, but this handbook aims to help you to find your way round services and activities so you can connect with the wider community when you first arrive.

The guide contains up-to-date and relevant information about the area. You will also find this and other information on our website at [www.dirletonvillage.org](http://www.dirletonvillage.org)

We hope you find this handbook useful and soon settle in. Please do get in touch if you have any additional suggestions you might have or if you find anything is wrong or missing.

## **The Dirleton Community Association (DCA)**

The DCA is a registered as a Scottish Charitable Incorporated Organisation (SC053699) which represents the hub of the community on matters such as planning and conservation and facilitates all community matters and wishes for the future of the village. Every year we strive to do our best for the community.

The DCA committee currently comprises eight people who were elected at the November AGM. Anyone is eligible to stand and indeed this is encouraged.

The DCA membership year runs from 1<sup>st</sup> September to 31<sup>st</sup> August and costs between £2-5 depending on single/family membership. Donations are also welcome. Joining up is easy, just email: [dca@dirletonvillage.org](mailto:dca@dirletonvillage.org)

Meetings are usually held in the Castle Inn Function Room at 7.00 pm and the agenda and minutes are circulated by email and posted on the website <https://dirletonvillage.org/>

Over the last 5 years the DCA has been responsible for many projects to enhance the village and surrounding areas including: public toilet improvements; quality benches; new noticeboards; alleviation of flooding on church green; additional parking on church green; repairs to the war memorial; 20 mph signs; heritage lighting; wildflower and hedge planting; and the planting of 70 trees as part of the late Queen's Green Canopy project, one for each year of her reign. The last two projects involved many of the pupils from the Primary school.

The DCA actively encourages all types of community activity and acts as the main discussion forum for environmental and conservation issues affecting Dirleton and surrounding areas. Its structure is democratic and open, and anyone may raise issues for discussion at its meetings.

## **The Community Council and North Berwick Coastal Area Partnership**

The Community Council, comprising up to 13 elected councillors, two of them nominated by the DCA, covers Gullane, Aberlady, Dirleton, Drem and the surrounding rural areas. It meets monthly by rotation in Gullane, Aberlady and Dirleton and its role is to find out and represent local community views and wishes to East Lothian Council and other public bodies, such as Police Scotland and the NHS. [Community Council](#) – GADDabout

The [North Berwick Coastal Area Partnership](#) has a similar remit but covering the whole of the North Berwick Coastal Area ward. It includes representatives of the DCA and of other village organisations.

## **Dirleton**

Dirleton is a historic village centred around the ancient castle and the surrounding area has a multitude of enjoyable walks and activities. The parish boundary incorporates Archerfield Village to the north, Ferrygate Cottages to the east, Queenstonbank Cottages to the west and Fenton Barns to the south. The village and the immediate surrounding area are designated as a Conservation Area, giving them special conservation status. A map of the village and surrounding area can be found on the website <https://dirletonvillage.org/>

### **Access to Dirleton Castle and Gardens**

Historic Environment Scotland (HES) run Dirleton Castle and Gardens. At present a small part of the castle is closed for safety reasons, but the Gardens are open and free for members of the DCA on presentation of a utility bill confirming you live within our community.

### **Community activities and events in Dirleton**

#### **Dirleton Good Neighbours (DGN)**

DGN are a Constituted Community Group launched at the beginning of September 2017, within the remit to promote social activities in Dirleton within the aims of being healthy, active and connected.

Dirleton Lunch Hub - In January 2022 our monthly Lunch Hub restarted on the 1<sup>st</sup> Wednesday of the month from 12-2pm. The venue is the Kirk Hall and thanks to our volunteers we offer delicious homemade soup, bread and cakes. With a cost of £5.00. This is one of our most popular activities, with a great atmosphere and a real buzz. With a capacity of 40 it may be advisable to pre-book.

With the funds being reinvested into our community and ideas are welcomed, of how best these funds can support Dirleton.

Community Café - During the winter months October to April 22/23 we have started a Community Café once a month in-between our Lunch Hubs. This is an opportunity to meet informally, offering a range of games and refreshments. With between 8-14 attending.

Other Activities - In the past we have subsidised fitness classes, organised an afternoon tea to celebrate our Late Queen's Jubilee and with others, supported the lighting of the Christmas tree and provided refreshments.

As with all community events we depend on our volunteers who give their time willingly. If you would like to volunteer with DGN we would love to hear from you
